## Commitment from our Church (Council/Leadership)

Name of Local Church

We, who represent our congregation, make a commitment to do all we can to develop our church into a vibrant, turnaround church. We will prayerfully seek God's face and submit to His leadership to make the changes needed at our church that we might become an outwardly-focused, dynamic force for Christ in our community. We will support and follow our pastor in this endeavor. Together, we will seek a fresh vision and clear direction for our church.
